Amry Palmer - Amry Palmer is passionate about training horses. She is an accomplished horsewoman with a reputation for being able to work with all types of horses, including colts and horses with behavior challenges. Groundwork, fundamentals, roping, patience, and working with the clients are foundational in the training program for C & A Horses.

Cisco Nixon - Cisco Nixon a professional cattleman, roper, and horse trainer has been a passionate horseman and lover of horses his entire life. Cisco grew up in the saddle with a rope in his hand.
